Planning and Development Act 2000, as amended Notice of Significant Further Information Strategic Infrastructure Development Planning Application to An Bord Pleanála [Case Number ABP-316178-23] Mayo County Council

In accordance with Section 37F of the Planning and Development Act 2000, as amended, we, Bord na Móna Powergen Limited, give notice that additional information has been furnished to An Bord Pleanála in respect of the proposed development described below, and that An Bord Pleanála consider this information to constitute significant further information.

The proposed development that is the subject of the planning application comprises the construction of a wind farm and related works on a site of 2,282ha, within the townlands of Laghtanvack, Croaghnaun (also known as Croaghnaun West), Moneyvriean, Corvoderry, Shanvolahan, Dooleeg More, Shranakilly, Bellacorick and Shanvodinnaun, County Mayo.

The development applied for consisted of:

- Erection of 18 no. wind turbines with an overall blade tip height of 200m, a rotor diameter of 158m, a hub height of 121m and all associated foundations and hard-standing areas in respect of each turbine;
- Decommissioning and removal of 21no. existing Bellacorick Wind Farm wind turbines (including tower sections, nacelle, hub, and rotor blades);
- Construction of new internal site access roads, approximately 29,000m in length (permanent and temporary), passing bays, car parking and associated drainage;
- Construction of an amenity route through the site to the existing Visitors Centre with access from a local road off the N59 near Dooleeg;
- 2 no. borrow pits;
- 5 no. peat deposition areas;
- Installation of 1 No. permanent Meteorological Mast 120m high, and the decommissioning and removal of an existing 100m Meteorological Mast on site;
- 4 no. temporary construction compounds, including material storage, site welfare facilities, and site offices;
- 1 no. 110KV electrical substation compound. The electrical substation will have 2 No. control buildings, a 36m high telecommunications tower, associated electrical plant and equipment and a wastewater holding tank.
- All associated underground electrical and communications cabling connecting the wind turbines to the proposed substation;
- All works associated with the connection of the proposed windfarm to the national electricity grid, including a 110KV underground electrical cable from the proposed on-site electrical sub-station to the existing sub-station at Bellacorick;
- All related site works and ancillary development including (but not limited to):
 - Earthworks;
 - Peat management works;
 - Site security;
 - Groundwater and surface water management;
 - Overburden (soils/peat) storage and management; and
 - Site reinstatement, landscaping and erosion control.
- A 10-year planning permission and 30-year operational life from the date of commissioning of the entire wind farm.

This application was accompanied by an Environmental Impact Assessment Report (EIAR), and a Natura Impact Statement (NIS). Significant further information which included an updated NIS was submitted to An Bord Pleanála and may be inspected free of charge, or purchased for a specified fee not exceeding the reasonable cost of making a copy, during public opening hours for a period of 5 weeks commencing on **Tuesday, 7th May 2024** at the following locations:
